

CHEMEX

FOAMING HAND SANITISER

No-Rinse Hand Sanitiser

Alcohol-free, foaming hand sanitiser that instantly kills bacteria and leaves your hands feeling clean and fresh.

Directions

Before sanitising, ensure your hands are clean and dry. Apply directly onto the hands, rub well, ensuring whole area of your hands is well covered. Leave it to air dry.

Good Practice

Under Good Practice Protocol undiluted product provides general biostasis using internationally recognised antibacterial agent. Undiluted product provides 1900ppm of QUAC.

MPI Approved C52 (all animal products except dairy)

This compound cannot be used by persons employed in slaughter or handling edible product at any stage during dressing or processing. This compound is not permitted in slaughter, dressing or processing areas.
