G-PINE

Cleaner Disinfectant

A powerful cleaner disinfectant with natural pine oil for enhanced anti-microbial action. G-pine can be used for bathrooms, toilets, walls, floors and general janitorial applications.

Directions

Hard surface treatment for toilets, walls, bathrooms, floors; use a ratio of 1:100- 1:50 (1-2% solution, 10-20ml per litre) to clean water. Use a sprayer to reach otherwise inaccessible areas.

Good Practice

Under Good Practice Protocol diluted solution of this product as stated provides general biostasis using internationally recognised antibacterial agents with a recommended minimum contact time of 10 minutes. At 1% concentration this product provides 200PPM QAC.

MPI APPROVED C32 (All animal product except dairy)

In food processing processing rooms, provided after using this compound, food contact surfaces must be thoroughly rinsed with potable water before production starts.
