

CHEMEX

NATURAL

Liquid Hand Soap

A fragrance-free hand soap with skin moisturising and conditioning properties. Suitable for daily use, it has a pleasant creamy lather that doesn't dry hands, keeping them soft and supple. Palm oil and salt-free.

Directions

Wet hands then apply directly from dispenser or plunger pack. Work through hands to form a thick lather, then rinse well and dry off with a paper towel or air dryer. Natural is septic tank safe and has minimal impact on the environment when used correctly.

Good Practice

It is advised by the European Centre for Disease Prevention and Control (ECDC) to wash your hands thoroughly for a minimum of 20 seconds.

MPI Approved C56 (All animal product except dairy)

This may be used as a hand washing compound in all areas. After using this compound hands must be thoroughly rinsed with potable water. There must be no odour left on the hands.
