

CHEMEX

PRISTINE

Automatic Dish and Glass Washing Liquid

High-strength liquid detergent formulated for use in automatic commercial dish and glasswash machines. Suitable for use with all common ware materials such as crockery, china, glass, stainless steel, plastics and kitchen utensils. Suitable for dishwashing or glass washing applications with or without the use of a rinse aid. Not recommended for aluminium or other soft metal-constructed kitchen items. Septic tank safe, when used as directed.

Directions

Dose undiluted via an automatic peristaltic pump at 1-2ml per litre of wash water. Not recommended for manual dosing, unless in contingency commercial situations. Use in conjunction with Chemex Rinza for optimum performance.

MPI Approved C31 (All animal product except dairy)

This may be used in all areas. Before use, all edible product and packaging material must be removed from the room. After using this compound, food surfaces must be thoroughly rinsed with potable water before production starts.

- **EFFECTIVE IN HARD OR SOFT WATER**
