

CHEMEX

AB FOAM

Antibacterial Foaming Soap

An unscented foam soap with skin conditioner and an effective antibacterial agent and is a great choice for a wide range of industries. A smooth creamy lather cleans hands thoroughly without drying them out.

Directions

Apply directly to the wet hands from dispenser. Lather well and rinse. Repeat if required. Dry hands with a clean and dry towel.

MPI Approved C51 (All animal product except dairy)

This may be used as a hand washing and sanitising compound in all areas. After using this compound, hands must be thoroughly rinsed with potable water. There must be no odour left on the hands.
